

Woody Plant Availability Spring 2018.

Actual availability is subject to over-winter crop failure and or supplier changes. Please note 'Ready By' date.

Our crops are grown outdoors and ready-by date is our best prediction and is weather dependent. Potted plants will not be released for sale if not fully rooted.

We will have a limited number of "Bare Root" plants available for Spring 2018. These MUST be picked up the first week of April.
