

Fothergilla x intermedia 'Blue Shadow'

- 4 to 6 feet tall, 5 feet wide
- Sun to part shade
- Acid, humusy soil, avoid very dry sites.
- A dusty blue-green sport from *Fothergilla major* 'Mt. Airy'.
- Prolific ivory bottlebrush flowers in spring
- Disease and insect resistant.
- Superb yellow, orange and red fall foliage color
- Good alternative to burning bush and Japanese barberry.
