

# *Rhododendron calendulaceum*

## Flame Azalea

- 8 to 15 feet tall, 5 to 8 feet wide
- Sun to part sun
- Acidic soil (pH 4.0 to 6.0), cool, humid, moist to moderately dry
- Largest flowers of any native azalea, apricot to orange-yellow in May/June
- Tall, arching, many stemmed shrub
- Good for back of shady border

Native to PA
